Council Formation – Crossroads of America Council

Geographical coverage area

Crossroads of America Council #160 (CAC) is the largest Boy Scout council in Indiana. It covers the center of the state from east to west and goes as far north as Muncie and as far south as Terre Haute. CAC currently serves over 36,000 young people in 25 counties through 965 packs, troops, teams, crews, groups, ships, and posts.

Council Headquarters Location

Crossroads of America Council Headquarters is located at 7125 Fall Creek Road N, Indianapolis, IN 46256. CAC also has offices in Anderson, Hagerstown, Muncie, and Terre Haute.

Formation and Mergers of Councils

The original council was founded on February 8, 1910. Crossroads of America Council #160 is the result of a number of mergers over the years. Based in Indianapolis, the current name was adopted in 1972.

Indianapolis itself has had a council office since 1915, being known as just the Indianapolis Council #160 until 1934 when it started adding a lot of other councils and became known as the

Indianapolis and Central Indiana Council #160. This long name lasted until 1942 when the council simply was known as the Central Indiana Council. In 1972 a major merger was undertaken with the present name being adopted. A number of councils were folded together including Delaware County #679 (the Muncie, IN-based Council that operated from 1924- 1972), Kikthawenund Area #149 (Anderson, IN), and the Whitewater Valley Council #151 (based in Hagerstown, IN).

Anderson had a long history of councils before the 1972 merger. First founded in 1919 as the Anderson Council #149, the council went under a year later in 1919 only to return with the same name in 1923. This time, the council lasted until 1928 before changing its name to the Hoosier Council #149. That name was used for 3 years. In 1931 the Anderson-based council became the Chief Anderson Council #149, which lasted four years until 1935. The

Kikthawenund Council #149, proved to be the longest running name as it lasted from 1935 to 1972 before finally merging into the new Crossroads of America Council.

Hagerstown had a similarly long history as a separate council before the 1972 merger. Beginning as the Wayne County Council #151 in 1927, the council became the Wayne Area Council #151 in 1931. In 1935, the Whitewater Valley Council #151 was formed and lasted until the 1972 merger with the CAC.

There were also a few short lived councils in the area now served by Crossroads of America including the Shelbyville Council based in Shelbyville, IN from 1915-1922; the Frankfort Council, Frankfort, IN which operated from 1918-1920; the Connersville Council based in the city of the same name from 1922-1924; and the Boone County Council, based in Lebanon, IN which operated from 1927-1929.

The Order of the Arrow was active in many of these councils with the exception of the Indianapolis Council and its successor Central Indiana Council (CIC). The Firecrafter Program, which is a local program that in many ways serves the same function as Order of the Arrow, was formed in the Indianapolis council. It is still an active program in the CAC. When Crossroads of America Council was formed, the Order of the Arrow also came to the Indianapolis area.

In 2002, the Wabash Valley Council #166 became part of the CAC. The Terre Haute Council #166 existed from 1912-1924. From 1924-1929, it became the Vigo County Council #166, and was re-established as the Terre Haute Council #166 from 1929-1931. In 1931, the council became the Wabash Valley Council #166 and kept that name until it merged with the Crossroads of America Council #160 in 2002.

Important People

The current Scout Executive of CAC is Patrick Sterrett. In 2013, he took over for Scott Clabaugh who had been the Council Executive since 1993.

One of the best known names in the council is F.O. Belzer, who was the Executive from 1915-1939 and started the Firecrafter program. The camp where Firecrafter began is now named for him and serves as the Cub Scout Summer Day Camp and Council Training Center.

The Crossroads of America Council has also served as home of the Crossroads of America Scout Band. Founded in 1917 by "Chief" F.O. Belzer as a camp band, it has grown into a concert band that has traveled throughout the United States, Canada, and England representing the Boy Scouts of America and the Crossroads of America Council for over 90 years. The Band's annual summer tour takes it to as many scout camps as it can for the enjoyment of those scouts at camp.

Throughout its 64 year history the Kickapoo Lodge has seen many great youth and adult leaders. Over the years several members have been awarded the Distinguished Service Award and Ed Pease (Lodge Chief in 1968 and 1969) served the Order of the Arrow as National Chairman from 1993-2000.

Camp Formation

Cub Scout Camps

Crossroads of America Council offers three summer Cub Scout programs: Adventure Camp, Belzer Day Camp, and District Day Camp.

Adventure Camp (Cub Scout resident camp) - is an overnight camp held at Camp Kikthawenund (Frankton). Adventure Camp supports and utilizes the aims and methods of Scouting as an integral part of the camp program. Adventure Camp provides an opportunity for Wolf, Bear and Webelos Scouts to go camping at the region's premier Cub Scout Camp. The program runs in June and July.

Belzer Day Camp - offers an exciting program for Tigers, Bears and Wolves, as well as first and second year Webelos! The camp is situated on a wooded 100 acre facility that has been in development for over 90 years. Camp Belzer (Indianapolis) was created to provide a safe environment where Cub Scouts can learn, advance, and play in the great outdoors.

District Day Camps - run Monday through Friday and offer a Friday overnight for the Cub Scouts and their families who wish to attend.

- Bear Creek Day Camp (Connersville) – June
- Kikthawenund Day Camp (Frankton) – July
- Pathfinder Day Camp (Trafalgar) – June
- Red Wing Day Camp (Muncie) – June
- Rotary Day Camp (Crawfordsville) – July
- Wildwood Day Camp (Terre Haute) – June

Boy Scout Camps

Summer camp is what many Scouts enjoy most about Scouting. Camp programs use natural surroundings to provide youth with numerous opportunities to experience physical, mental, and spiritual growth. Scouts can earn merit badges along their advancement trail while having fun. CAC offers week-long resident camp experiences plus Dan Beard First Class Camp, Baden-Powell Merit Badge Camp, and NYLT/White Stag.

Resident Summer Camps

- Ransburg Scout Reservation – (near Bloomington, IN), provides unique adventures unlike any other camp. The climbing tower, C.O.P.E. course, and robust aquatics

program leave Scouts excited to return before they've even completed their week at camp. – June and July

- Camp Krietenstein (near Poland, IN), challenges Scouts to find adventure, explore, make new friends, learn new skills and earn merit badges. The Adventure Base program consists of high adventures, rope courses and team building initiatives. – June and July

NYLT/White Stag

National Youth Leadership Training (NYLT), called White Stag in CAC, is an exciting, action-packed program designed to provide youth members of the Boy Scouts of America with leadership skills and experience they can use in their units as well as in other situations demanding leadership of self and others. The six-day course, held at Camp Red Wing (Muncie), is patterned after a month in the life of a unit. Content is delivered in a group and team outdoor setting with an emphasis on immediate application of learning in a fun environment. – June and July

Baden Powell Merit Badge Camp

Baden Powell Merit Badge Camp, held at Camp Belzer (Indianapolis), is a merit badge day camp that helps younger Scouts earn up to eight unique merit badges in the summer. The program is an accelerated, intensive learning environment. Scouts may be required to complete prerequisites, take classroom notes and/or have out of class assignments to complete the merit badge requirements. – June and July

Dan Beard First Class Camp

Dan Beard First Class Camp, held at Camp Belzer (Indianapolis), is designed for Boy Scouts who are working towards the rank of First Class. During the day camp, Scouts have the opportunity to complete various requirements towards the ranks of Tenderfoot, Second Class and First Class. Scouts attending Dan Beard camp also can earn the First Aid merit badge and Camper, the first rank of Firecrafter. – June and July.

Non-OA Honor Camper Societies

General Information

In the formative years of the Boy Scouts of America, the Order of the Arrow was just one of the over 100 known honor camper societies that existed in Scout Camps and Councils throughout the United States. In those early days most camps were run with a huge single camping area by a Council professional. Borrowing from Daniel Beard and Culver Military

Academy (many of the patches feature the Culver "C") Councils adopted honor camping associations as a means of enticing young boys to return to their camps summer after summer.

It appears the biggest were Gimogash (created in Kansas City, Missouri in 1914), Ku-Ni-Eh (created in Cincinnati, Ohio in 1923), Nani Ba Zhu (created in Omaha, NE in 1919), Firecrafter (created in 1920 in Indiana), and WWW (the OA created in 1915 at Treasure Island, PA). There are a number of these societies that still exist including Firecrafter (in Indiana and Illinois) and Mic-O-Say (in Missouri).

While just about everyone involved in the Boy Scout organization knows about the Order of the Arrow, many people don't know much about the "other" honor societies and honor programs that existed in various scout councils and camps throughout the country from 1914 through the present day.

In the early days of the Boy Scouts of America many camps around the country had "honor camper" programs where a scout could progressively earn award patches. In the 1920's and 1930's a number of camps had programs where totems were stenciled on a scout's belt with paint as they became proficient in different skills. The growth and movement of the "other" honor societies came about mostly by the movement of the council executives from one location to another as well as by word of mouth. The Toledo Area Council received many visitors through the early years to learn about Gimogash. Tipisa spread to Indiana and Florida from Michigan solely through the movement of council executives.

There were five major societies/programs that operated in multiple locations during the 1920's through the 1940's. They were Ku-Ni-Eh, Gimogash, Nani Ba Zhu, Firecrafter, and WWW (Order of the Arrow). The majority of the "other" societies/programs existed in only one place although there were a few in two to five locations.

In 1935, there were 536 Scout Councils and only 81 Order of the Arrow Lodges in existence in the country. By 1950, there were still only 537 Scout Councils but 445 OA lodges had by then been chartered. During those years there were many of the "other" honor societies/programs that were converted into OA lodges.

Many honor societies lived on in different ways after they were converted to the OA. Some, such as the Michigan Tipisa Society, became a camp award system that could be earned. Some kept their ceremonies and blended them into the new OA lodge. Others chose the society name as their lodge name. There were a number of these such as Tonkawampus #16, Pokagon #110, Tahquitz #127, Ku-Ni-Eh #145, Gimogash #214, Mohawk #275, Yo-Se-Mite #278, Nani Ba Zhu #321, Tipisa #326, Nikiwigi #329, Braves of Decorah #381, White Feather #499, and Wincheck #534.

There are a number of these groups that exist to this day. They are independent societies/programs. Some exist where there has never been an OA lodge, and some co-exist with an OA lodge. Among them are Mic-O-Say in St. Joseph, Missouri since 1925 and Kansas City (Missouri) since 1929; Firecrafter in Crossroads of America Council (Indiana) since 1920; Tribe of Tahquitz in the Long Beach Council (California) since 1925; Tribe of Torqua at Camp Cherry Valley (California); Tribe of Quivira in Quivira Council (Kansas) since 1923; Tribe of Golden Eagle (Kansas) since 1989; and Nani Ba Zhu which was reactivated in Omaha (Nebraska) in 1990.

Non-OA Honor Groups in CAC area.

Firecrafter

Firecrafter is a service organization within the Boy Scouts of America. Formed in 1920, the Firecrafter Organization mainly operates within the Crossroads of America Council, Indiana, but has been known to exist in other areas including Illinois and Texas.

Before the United States entered World War I, Francis O. Belzer was named the first Scout Executive of the Indianapolis Council in 1915 (known as the Indianapolis and Central Indiana Council from 1934 to 1942). With Scouting's early emphasis on athletics instead of Scoutcraft skills, many different ancillary programs were piloted throughout the United States to reinforce Scouting skills and its core values. One such program in place was the three-tiered rank system at Daniel Carter Beard's Culver Woodcraft Camp. Seeing a need for a new program in Indiana and working in conjunction with Stanley L. Norton, Assistant Executive, and Rex Pruitt, Scoutmaster of Troop 46, Scout Executive Belzer created the Camper and Woodsman ranks in 1919 at Camp Chank-Tun-Un-Gi located near Fort Benjamin Harrison in Indianapolis. The program was a success throughout the 1919 camping season, so Pruitt, Norton, and Belzer set out to create a third camp rank for the following summer.

The "third and highest" rank was introduced, unnamed, in 1920. The first group of four young Woodsmen completed the requirements. It was custom to recognize the new Camper and Woodsman rank recipients at the last campfire of the camping week, and when it came time to recognize the four Scouts, they were not mentioned. As the ceremony concluded with Norton's Scoutmaster's benediction, the four Scouts were instructed to remain behind. As the rest of the campers went back to their tents to retire for the evening, those four Scouts, along with Belzer, Norton, Pruitt, and P.D. Hoelscher (the camp's physical director) became the first to take Firecrafter's Unknown Test.

A fourth honorary camp rank, Minisino, was introduced in 1921 to recognize those who went above and beyond in service to Scouting and Firecrafter itself.

At one point in time, many Midwestern councils had a Firecrafter program in operation. After the adoption of the Order of the Arrow on a national level, many of these programs were closed completely or merged into the Order's program. It was the only honor camping program in the Central Indiana Council until 1972, when Central Indiana Council was merged with Delaware County Council, Whitewater Area Council, and Kikthawenund Council to form the new Crossroads of America Council. Concerned Firecrafters and Arrowmen met to settle their differences, and both programs were allowed to continue.

Before 1972, all Firecrafters wore a pocket flap patch on the right pocket, indicating where the member was from within the council. He also wore a 3-inch pocket patch on the right pocket, indicating his Firecrafter rank. After the merger, the Order of the Arrow was given exclusive right to the pocket flap, while Firecrafter kept its right to the temporary patch position on the pocket itself. For more information, go to www.firecrafter.org.

Ku-Ni-Eh

Prior to the existence of today's Order of the Arrow, the councils of central, eastern, and southeastern Kentucky used the Ku-Ni-Eh as their honor camper society. Arthur E. Roberts founded the Ku-Ni-Eh in 1922 at Camp Edgar Friedlander, which was located on the Little Miami River near Cincinnati, Ohio. Camp Edgar Friedlander was the summer camp of the Cincinnati Area Council, and Arthur E. Roberts was the Camp Director for many of its early years of operation. Mr. Roberts also served the Cincinnati Area Council as its Scout Executive for many years. During those early years at summer camp, Mr. Roberts saw a need for the development of a brotherhood to honor a select number of Scouts who best exemplified the Scout Oath and Law. After many months of searching, Mr. Roberts found what he considered to be the best ceremony for the induction of candidates into this brotherhood.

The ceremony was based on a ritual used by the Kankau, a tribe of the Maidu Indians of Northern California. The Kankau used this ceremony to test their boys in the virtues necessary to become a brave. The word Ku-Ni-Eh means "Order of Manhood" in the Maidu tongue, and thus was chosen as the name for this new brotherhood. The symbol that was selected to represent the Ku-Ni-Eh was the "We-hin-ay-pay", which means Rising Sun. This symbol was taken from a design in the base of a ritual basket of the Maidu Indians.

The Ku-Ni-Eh had its own requirements for membership, rules and regulations, and even its own handbook. Its popularity spread throughout the Cincinnati Area Council, and the knowledge of the Ku-Ni-Eh's success spread into many other councils. Within a few years over forty councils had adopted the Ku-Ni-Eh as an integral part of their summer camp program. However, the Ku-Ni-Eh was never recognized as an official organization by the Boy Scouts of America. The local sponsor of the Ku-Ni-Eh in the Blue Grass Council was O.C. Rankin of Cynthiana, Kentucky. He presided over the organization's many activities, as well as the selection of some 345 candidates from 1927-1951. Candidates for induction into the Ku-Ni-Eh were selected by the current Ku-Ni-Eh members, unlike today's Order of the Arrow where candidates are selected by members and non-members alike.

More detailed information on the Ku-ni-eh Society and the Tribe of the Black Arrow are available in separate Appendices M and N posted to www.jaccostownelodge.org website.

Tecumseh Lodge Education Group

Tecumseh Lodge Education Group, Inc. is a not-for-profit, charitable, and educational institution dedicated to preserve, protect, and promote all aspects of the culture of the American Indian. While the organization was formally incorporated in January 1969, the origins of the Lodge began in the 1950's.

The Lodge holds an annual powwow during the Labor Day Weekend and a Mid-Winter Powwow in late December or early January of each year. Throughout the year, the Lodge sponsors social dances on Saturday evenings in the spring and fall, and holds business meetings six times a year. In addition, a bi-monthly newsletter is distributed to members.

Proceeds from various Lodge activities are donated to several American Indian educational and community programs. The Lodge also sponsors the Ku-ni-eh Society and Boy Scouts of America Venture Crew #372.

Membership is open to individuals ages 18 and above who are interested in participating in lodge activities and willing to support the Lodge's endeavors to fulfill its purpose. The Lodge offers individual, family, associate, and life memberships. Active members of the military receive a complimentary membership, and students of active members who are enrolled in higher education institutions may receive an individual newsletter upon request.

The Order of the Arrow Founded

The National Order of the Arrow (formerly known as the Wimachtendienk, W.W.) had its beginnings on July 16, 1915 when the organization's founder, Dr. E. Urner Goodman and cofounder, Carroll A. Edson began our great and honored Order that summer at Treasure Island Scout Camp. Treasure Island Scout Camp was the summer camp of the Philadelphia Council, located on an island in the middle of the Delaware River between the states of Pennsylvania and New Jersey. The founders' purpose and intent was to promote the ideals of Scouting and to strengthen the camping spirit. They utilized the local myths and legends of the Lenni Lenape tribe of the Delaware Indians to enhance their newly founded organization. Once the movement started, it vigorously began to grow, and soon many BSA councils adopted the Order of the Arrow and its principles into their own programs. Today, the Order of the Arrow is known as Scouting's National Honor Society.

Founding of Lodges

Central Indiana Order of the Arrow History

The Order of the Arrow began its existence in Central Indiana in 1938 with the chartering and formation of Kickapoo Lodge #128 in the former Wabash Valley Council. In 1942, in the Kikthawenund Council located in Anderson, Indiana, Kikthawenund Lodge #222 was formed. Three years later in Whitewater Valley Council, Wahpinachi Lodge #308 was chartered. Ten years later in 1955, Wah-Pe-Kah-Me-Kunk Lodge #512 was chartered in Delaware County Council. From 1963 to 1973, there was an "unofficial OA lodge" in Central Indiana Council. The "OA lodge" was associated with the Scout Band under the direction of Harvey Gill, the band director. Two advisers, who were Vigil members, Teed Howard, a professional scouter with the Central Indiana Council, and Ike Slaybaugh, the volunteer adviser, ran the "lodge" which had 70+ members. The Lodge did not have an official name or patch.

In 1973, with the formation of the Crossroads of America Council, Wulakamike Lodge #21 was formed with the merger of Kikthawenund Lodge #222, Wahpinachi Lodge #308, and Wah-Pe-Kah-Me-Kunk Lodge #512. This merger brought the Order of the Arrow to what was once the Central Indiana Council.

In 2003, with the merger of Wabash Valley Council into the Crossroads of America Council, Kickapoo Lodge #128 merged with Wulakamike Lodge #21 forming Jaccos Towne Lodge #21.

Kickapoo Lodge #128 History

Kickapoo Lodge was first chartered in 1938 in the Wabash Valley Council. The original totem for the lodge was a canoe paddle with a "K" on it. It is not known when the totem changed, but eventually the Thunderbird was adopted as the official totem for the Lodge. Upon merging with Wulakamike #21, Kickapoo #128 has kept the Thunderbird Totem and is now the Kickapoo Chapter.

Throughout its 64 year history, the Lodge has seen many great youth and adult leaders. Over the years several members have been recognized for their service. For example, Edward Pease, Kickapoo Lodge Chief (1968 and 1969) and Order of the Arrow National Chairman (1993-2000) was recognized with the Distinguished Service Award in 1971 and the Lifetime Achievement Award in 2012. Richard "Bear" Eberly, long-time Section Adviser and member of Kickapoo Lodge, is remembered through The Leadership Scholarship Fund or the "Bear" Eberly Scholarship. The fund helps to cover the costs for new youth Ordeal members to attend Section Conclave or to promote youth participation in the national programs of the Order of the Arrow.

Kikthawenund Lodge #222

Kikthawenund Lodge was chartered in 1942 in the Kikthawenund Council #149. Their totem was the turtle. In 1973, Delaware County, Kikthawenund Area, and Whitewater Valley Councils came together with the Central Indiana Council to form the Crossroads of America Council. The new lodge was called Wulakamike Lodge #21.

Wahpinachi Lodge #308

Wahpinachi Lodge was chartered in 1945 in the White Valley Council. Their totem was the bear claw. Ordeals were done at Bear Creek Scout Camp. In 1973, Delaware County, Kikthawenund Area, and Whitewater Valley Councils came together with the Central Indiana Council to form the Crossroads of America Council. The new lodge was called Wulakamike Lodge #21.

Wah-Pe-Kah-Me-Kunk Lodge #512

Wah-Pe-Kah-Me-Kunk Lodge was chartered in 1955 in the Delaware County Council #679. Their totem was the thunderbird. In 1973, Delaware County, Kikthawenund Area, and Whitewater Valley Councils came together with the Central Indiana Council to form the Crossroads of America Council. The new lodge was called Wulakamike Lodge #21.

Wulakamike Lodge #21 History

Wulakamike Lodge was formed on October 20, 1972 with the merging of four Boy Scout Councils: Central Indiana (now Crossroads of America), Delaware County, Kikthawenund Area, and Whitewater Valley. The three OA Lodges which existed in three of those councils were merged into Wulakamike (Delaware for "Good Land"). The previous Lodges were: Kikthawenund #222 chartered July 26, 1942; Wahpinachi # 308 chartered July 3, 1945, and Wahpekamekunk #512 chartered April 26, 1955.

At the time of the merger, Central Indiana Council (CIC) did not have an OA Lodge but did have the Firecrafter Organization. At the time of the merger the decision was made to hold unit election in all CIC units as well. Firecrafter also received the opportunity to expand its program into the entire new Crossroads of America Council.

On October 20, 1972, the three existing lodges met to organize the lodge merger. The name Wulakamike was chosen and was interpreted from the Delaware language as meaning "Good Land." The totem chosen was the Indian on a horse and was patterned after a large sculpture located in Muncie. This sculpture is represented as an Indian with his out-spread arms paying homage to his God for fertile land.

At this Meeting there were sixty-five Arrowmen present. Jim Beuoy was elected Lodge Chief. The Lodge Lay Adviser (now Lodge Adviser) appointed was Gene Moon, and the Staff Adviser was Jim Bishop. After much discussion and several breaks in the session, it was decided to have two flap patches. One flap was to be restricted to one for Ordeal membership and one for Brotherhood membership. The other was to be sold unrestricted. They would be the same except background color. Also planned at this session was the first lodge training seminar which was held at the Yokefellow Institute on the Earlham College campus. The beginning of chapter organization and the formation of by-laws began there.

Two names of former Lodges, Kikthawenund and Wahpekamekunk, continued as Chapter names in the new Lodge.

Central Indiana Council "Unofficial" OA Lodge

From 1963 to 1973, there was an "unofficial" OA Lodge in the Central Indiana Council. The OA Lodge was formed and associated with the Scout Band under the direction of Harvey Gill. The charter was established through the Harrison Trails Council located in Kokomo

Indiana had 70+ members. Two advisors, Teed Howard the professional advisor with Central Indiana Council and Ike Slaybaugh, the volunteer scouting advisor, and Harvey Gill, the band director, were responsible for lodge activities and trips. Since Firecrafter was the Honor Scouting Society in the Central Indiana Council, and there was not an established Order of the Arrow Lodge, the "unofficial" Lodge only wore sashes at events outside of Indianapolis. There was no name for the OA Lodge, and they did not have a pocket patch. In 1973, the Lodge officially became part of Wulakamike Lodge #21 with the formation of the Crossroads of America Council headquartered in Indianapolis (Indiana).

Jaccos Towne Lodge #21

In 2002, as the Wabash Valley Council merged with Crossroads of America Council, Kickapoo Lodge #128 and Wulakamike Lodge #21 also talked about how to become one. The youth leaders of both organizations agreed to keep Wulakamike's number 21 but to seek a new name and totem. They decided on a tradition reflecting the Wea tribe, which lived in central Indiana until it had been forced to move west in the early 1800's. The lodge contacted Chief Terry Stuff, and he, in consultation with his tribe, developed the name and totem and agreed to make gifts of them to the newly merged lodge.

At Lodge 21's annual Winter Banquet on January 19, 2003, Chief Terry Stuff, Civil Chief Bryan Lindley, and the members of the Wea tribe gave Lodge #21 a new name and totem. Chief Stuff and Chief Lindley presented the name Jaccos Towne and the totem of the River Otter to Lodge #21. They spoke of their heritage and thanked the Scouts for helping maintain traditions of Native Americans.

Jaccos Towne Lodge is named for a village that was in the vicinity of what is now Terre Haute, Indiana, in the early 1800's. Chief Stuff's fifth great-grandfather was Jacco Godfroy, the last chief of the Wabash Wea. He never left Indiana and died in 1854.

Chief Stuff chose the river otter for the lodge totem because, he said, "They're kind of happy-go-lucky," which he thought represented the fun of Scouting. And, he said, "They are curious, which reminds us that everything is interesting if you look at it from the right angle." The river otter's Wea name is Kinohsamia (pronounced "Ken-

O-Sa-Mee-ah” in English). “They teach you not only how to have fun but also how to wonder at life and all things in it.”

Civil Chief Lindley, the tribe’s second-in-command encouraged the Scouts to learn and appreciate Indian traditions. Speaking of the Order of the Arrow’s ceremonial opening, he said, “The names that you use are meaningful to us. Use the traditions from your heart.”

As a gesture of appreciation for the gift from the Wea tribe, Lodge Chief Tom Dickson presented Chief Stuff with an Order of the Arrow sash and a certificate.

Lodge Activities and Service

Lodge Activities and Service

Lodge Events

Winter Gathering

Lodge Winter Gathering is devoted to ceremonial and inductions training and Indian crafts.

Spring Fellowship

Lodge Spring Fellowship is a time to get together for fun and fellowship.

Lodge Ordeal

Lodge Ordeal is held in the fall for all Ordeal candidates who have not been able to attend an Ordeal. The eleven chapters of the Lodge hold at least one Ordeal, usually in May, and several chapters also hold a second Ordeal in the late summer or early fall. The lodge holds its Vigil and Vigil Honor Ceremony and elections for Lodge Officers at the Lodge Ordeal.

Lodge Leadership Development

Lodge Leadership Development or LLD is a lodge level training that develops leadership skills and friendships in the Lodge. LLD uses games and speakers to excite, inform, and train Arrowmen in leadership. Jaccos Towne Lodge holds an annual LLD in November for all Arrowmen but especially for newly elected Lodge and Chapter Officers.

Lodge Banquet

The Lodge Banquet is the annual dinner and get-together to celebrate the OA year. Founder's Awards are presented and achievements are celebrated. New Lodge Officers are sworn in. There is a guest speaker, which may be a National Officer or a local dignitary, and there are usually patch auctions.

Service Projects

In 2014, Arrowmen of Jaccos Towne Lodge did over 28,000 hours of service to Scouting and to the community. Arrowmen help with camp maintenance through the various ordeals held each year. The majority of the members of the camp staff at council camps are Arrowmen. Chapters help staff and run district camporees throughout the year. Several districts have very active ceremonial teams that do crossover ceremonies for Cub Scout packs. Arrowmen help with the University of Scouting and at the annual Trade-O-Ree at the State Fairgrounds. Chapters do projects in the community such as park clean-up and placing flags on veterans graves for Veterans Day. Arrowmen help to staff the Boy Scout area at the Indiana State Fair in August.

On a national level, the lodge has had many Arrowmen serve on staff at BSA National Jamborees, NOAC, and BSA High Adventure camps. Youth Arrowmen have participated in the various OA High Adventure programs. The Lodge has also had members serve on Philmont staff.

Area / Section Events

Section Conclave

Each April, the OA Section holds a Section Conclave. All Arrowmen from the six lodges of C-6A are invited for fun, fellowship, training, shows, and American Indian Activities. Jaccos Towne Lodge was the Host Lodge for the 2015 Section Conclave held at Camp Belzer.

NLS and NLATS Trainings

The Central Region holds National Leadership Seminars (NLS) and National Lodge Adviser Training Sessions (NLATS) annually either in Indiana or within a reasonable distance. The Lodge requires elected Officers and their Advisers to attend NLS. Chapter Chiefs and Chapter Advisers are also encouraged to attend. Prospective or serving Lodge Advisers are required to attend NLATS, and Associate Lodge Advisers are encouraged to attend. The Lodge pays for these Arrowmen to attend NLS and/or NLATS.

National Events

NOAC

The National Order of the Arrow Conference (NOAC) is a multi-day event which usually takes place on a university campus east of the Mississippi River, bringing together thousands of delegates from Order of the Arrow lodges around the nation for training and activities.

NOACs are held every two years, with exceptions made to align the event with significant anniversaries. In particular, the deferral from 2008 to 2009 aligned the schedule with the Order of the Arrow's 100th anniversary in 2015 and avoided a conflict with the 2010 National Scout Jamboree (which was similarly deferred from 2009 to align its schedule with the Boy Scouts of America's 100th anniversary in 2010). Similarly, the deferrals from 1985 to 1986 and from 1960 to 1961 aligned the schedule with the OA's 75th and 50th anniversaries in 1990 and 1965, respectively.

Before NOAC was held, the Order of the Arrow met nationally at what was called the Grand Lodge Meeting. There were 14 held between 1921 and 1946. The first NOAC was held in 1948 at Indiana University in Bloomington, IN.

Jaccos Towne Lodge sends a contingent to each NOAC, and a number of Arrowmen participate as staff. Over the years, a number of ceremonialists have represented the lodge in Ceremonial competitions and evaluations bringing back a number of honors and awards.

For a list of those achievements, please see [Appendix D](#).

ArrowTour

ArrowTour is one of many programs and initiatives that comprise a year-long celebration of the Order of the Arrow's centennial anniversary. In the summer of 2015, four delegations of youth Arrowmen will travel to council camps and Scouting events to bring our national centennial experience to Scouts, Arrowmen, and communities throughout the country.

ArrowTour will provide opportunities to reflect, connect, and discover the Order's Centuries of Service, both past and future. The Order of the Arrow is excited to partner with councils to provide this program accessory at Boy Scout summer camps, service centers, and Scouting events.

The program has been designed for all Scouts, OA members and non-members alike. Whether a first year camper or a seasoned volunteer, the ArrowTour program will offer something for everyone.

ArrowTour will be at Camp Belzer on July 14, 2015.

Offerings

The ArrowTour program will be customized to best meet the needs and capitalize on the unique features of each site. Some of the planned ArrowTour programs include:

Exploration: History displays, interactive timelines, and program videos

Centuries of Service Gathering: A program that will recognize the Order's rich 100 year history, and reveal where the steps to our second century of service begin. This gathering will be offered at most venues.

Activities: Silk screening, hat/belt branding, and recreational games.

ArrowCorps5

Between June and August 2008, the Order of the Arrow and the National Forest Service hosted a series of conservation service projects called ArrowCorps5. For five weeks, five thousand Arrowmen performed service at five locations around the country: Mark Twain National Forest, Manti-La Sal National Forest, George Washington and Jefferson National Forest, Shasta-Trinity National Forest, and Bridger-Teton National Forest.

ArrowCorps5 was, and remains, the largest service project ever undertaken by a federal land management agency and the Boy Scouts of America.

Jaccos Towne Lodge Arrowman who participated in ArrowCorps5 included:

George Washington and Jefferson National Forest of Virginia

Participants: Jay Copra, Jack Dolan, Landon Ellis, and Alex Lange.

Staff: Gabriella Castillio, Ed Finley, Levi McNeely, Chris O'Neil, Mike McNeely, and Nick Phillips.

Bridger-Teton National Forest in Wyoming

Staff: Robert Cooper and Kurt Melin.

Indian Summer

The National OA Indian Summer event offers classes in regalia, ceremonies, dancing, and singing in a manner similar to NOAC, but with a unique focus. Indian Summer provides the information and skills instruction needed to improve a lodge's Inductions process.

Pow wows and social nights allow each Arrowman to experience singing, customs and traditions of the different geographical cultures of the American Indian. From beginner to intermediate, individual or group teams, Indian Summer provides Arrowmen with the skills they need as an individual and or a dance team to be successful.

While Indian Summer focuses on building dance or ceremony skills, there is also plenty of time to participate in other recreational activities. The Activities and Recreation Committee sponsors a number of programs and events throughout the conference for all Arrowmen to enjoy.

The first National Indian Seminar was held in 1974 at Philmont Scout Ranch. They were held every two years until 1984. In 1987, there was a National Pow Wow/National Indian Seminar. In 2003, the OA had its first Indian Summer, and then another one in 2011.

Several members of Jaccos Towne Lodge attended the 2011 event.

OA High Adventure

Philmont Trail Crew

The program is a fourteen (14) day experience. The first week focuses on construction and maintenance of trails under the guidance of Philmont OA Trail Crew Foremen. The second week is a seven day backpacking trek that is designed by the participants. The program is not simply building trail and hiking though, the OA Trail Crew is ultimately a journey that challenges Scouts mentally, physically, and spiritually. For more information or to

apply: <http://adventure.oa-bsa.org/oatc/about.php>.

Ocean Adventure

This ten day program will provide an array of service opportunities that include work helping to develop the Florida Keys Heritage Trail, removing invasive species in and around the Sea Base's Big Munson Island, and supporting both the Crane Point Nature Center and Marathon Wild Bird Center in preserving the Keys flora, fauna and wildlife. You will be camping at both Big Munson Island and Crane Point

during the service portion of the program, after which you will move aboard a 40-50' sailing yacht for four days at sea. While afloat, you will experience the fun and excitement of life in the Keys from the unique perspective of a sailor as you sail, snorkel on pristine coral reefs, troll for sportfish, and swim in the warm waters of the Keys. For more information or to apply: <http://adventure.oa-bsa.org/oaoa/about.php>.

Wilderness Voyage

The OA Voyage program is inspired by the traditions of the French Voyageurs who ventured the northern wilderness during the 1700-1800's. Traveling thousands of miles by water and portage, these Voyageurs were hired to haul goods and furs to trade with Native Americans and Europeans. In the spirit of these adventurers, Arrowmen will embark on a voyage that is twofold. One-half of the OA Northern

Tier Wilderness Voyage focuses on portage trail and campsite maintenance within the Boundary Waters. The remaining expedition is spent on a canoeing adventure that is planned and chosen by the participants in the program. For more information or to apply: <http://adventure.oa-bsa.org/oawv/about.php>.

Canadian Odyssey

The Quetico Provincial Park is a vast wilderness with over 600 lakes set inside more than a million acres. The Canadian Odyssey allows Arrowmen, returning and new participants alike, to see and explore entirely new territory while at the same time providing crucial service. Odyssey crews will labor to repair and maintain portage trails in Ontario during the first week. The second week they will paddle back to the

United States on a route of their choosing. For more information or to apply:

<http://adventure.oa-bsa.org/oaco/about.php>.

Summit Experience

The Order of the Arrow Summit Experience program is an eight-day adventure at The Summit Bechtel Family National Scout Reserve bordering the New River Gorge National River Area. While experiencing over 10,000 acres of adventure, you have the opportunity to explore the Summit like no one else, while blazing trail with the first year of the Order of the Arrow Summit Experience Program.

Four days of the program will be focused on building or maintaining trail around the Summit, and the New River Gorge National River Area. The remainder of the experience will revolve around white water kayaking and rafting, along with mountain biking, climbing, and participation in other Summit activities. Participants will not only build trail, but also bonds of brotherhood as they start their High Adventure journey. For more information or to apply: <http://adventure.oa-bsa.org/oase/about.php>.

Lodge Achievements and Awards

Lodge Achievements and Awards

The Vigil Honor

Alertness to the needs of others is the mark of the Vigil Honor. It calls for an individual with an unusual awareness of the possibilities within each situation.

The Vigil Honor is the highest honor that the Order of the Arrow can bestow upon its members for service to lodge, council, and Scouting. Membership cannot be won by a person's conscious endeavors.

The Vigil Honor is a high mark of distinction and recognition reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions beyond the immediate responsibilities of their position of office to one or more of the following:

- Lodge
- Order of the Arrow
- Scouting community
- Scout Camp

Under no circumstances should tenure in Scouting or the Order of the Arrow be considered as reason enough for a Vigil Honor recommendation.

Any member of the Order of the Arrow registered in Scouting and in good standing in a regularly chartered lodge is eligible for recommendation to the National Order of the Arrow Committee for elevation to the Vigil Honor provided that, at the time of the recommendation, the individual has been a Brotherhood member for a minimum of two years. A lodge may nominate a maximum of two percent of their registered Arrowmen once a year, through the Vigil Honor petition, found in the annual re-charter packet. At least 50 percent of all nominated must be under 21 at the time of nomination.

The list of Vigil Honor Members may be found in [Appendix E](#).

The Founder's Award

Introduced at the 1981 National Order of the Arrow Conference, the Founder's Award recognizes Arrowmen who have given outstanding service to their lodge. The award is

reserved for an Arrowman who demonstrates that he or she personifies the spirit of selfless service, as advocated by founder E. Urner Goodman and cofounder Carroll A. Edson.

The award is a handsome bronze medallion bearing the likenesses of E. Urner Goodman and Carroll A. Edson, with a wooden base and a brass plate suitable for engraving. Available for uniform wear is a gold-colored arrow suspended from a red ribbon.

Lodges may petition the national Order of the Arrow committee to present between two and four awards annually, depending on the number of members in the lodge. If the lodge presents more than one award, at least one must be awarded to a youth under the age of 21.

A list of Founder's Award recipients may be found in [Appendix F](#).

Distinguished Service Award

The Distinguished Service Award (DSA) was created in 1940 to honor those who rendered service to the Order beyond the lodge level. The award is presented to Arrowmen, youth and adult, who have rendered distinguished and outstanding service to the Order on a sectional, regional, or national basis. The award is presented at National Order of the Arrow Conferences. Since the time the first awards were presented, less than 1000 Distinguished Service Awards have been awarded.

The award is a sterling silver arrowhead bearing an arrow pointing up and to the wearer's right. The award is suspended from a white neck-ribbon on which red arrows are embroidered. A white square knot embroidered on red cloth is available for uniform wear and a silver arrowhead lapel pin is available for civilian wear.

A list of Distinguished Service Award recipients may be found in [Appendix G](#).

Lifetime Achievement Award

The Legacy of Servant Leadership Lifetime Achievement Award was created by the National Order of the Arrow Committee in 2002 to recognize the Order's second and third generation "Founders" – Scouters who have built an enduring legacy to Scouting and the Order of the Arrow through a lifetime of cheerful service to others.

The award is intended to recognize only those extraordinary Arrowmen who have deeply influenced and significantly contributed to the vision, direction, and growth of the Order of the Arrow, faithfully demonstrated a lifetime of servant leadership, and, through their daily example, illuminated and reinforced the significance of the values found in the Scout Oath and Scout Law.

The prestige of the award requires the criteria be general in nature to allow members of the National Committee to exercise wisdom, flexibility, and discretion in the evaluation and selection of a worthy recipient. Although any past or present member of the Order of the Arrow may be nominated, a nominee **must** meet the following criteria:

- Vigil Honor member
- National Distinguished Service Award recipient
- Continued to render outstanding and dedicated service to the Order of the Arrow on a sectional, regional, or national level, since receiving the DSA
- Member of the Order of the Arrow for a minimum of 25 years

Nominations are made using the Lifetime Achievement Award Nomination Form, and **must** be received in the national office prior to **October 31st** of the year prior to a National Order of the Arrow Conference ("NOAC"). Nominations will be submitted to members of the Recognition & Awards Subcommittee for evaluation and recommendation to the National Committee. A nominee must be approved by 75% of the members of National Committee to receive the award. The award will be presented only at NOAC.

Ed Pease was awarded the Lifetime Achievement Award in 2012.

Given the nature and prestige of the award, it is recommended that no more than one recipient be recognized at a NOAC. The award recipient will be notified prior to the award ceremony. The award may not be presented posthumously. In keeping with the nature of the award, the recognition is not to be a uniform piece, pin, ribbon, or other device, but will be a significant recognition suitable for display in the recipient's home or office.

Red Arrow Award

The Red Arrow award was created in 1967 to recognize individuals who are not members of the Order of the Arrow, for outstanding service to the Order. This attractive award, a red arrow and medallion superimposed on an engraved plaque, and a miniature charm for civilian wear, can only be awarded by action of the National Order of the Arrow Committee. Recommendations, by nomination form, should be sent to the national director.

The Red Arrow Award is presented by the National Order of the Arrow Committee at a National Order of the Arrow Conference (NOAC). The recipients are either non-Scouters or Scouters who are not members of the Order of the Arrow. This service may take many forms and should involve a significant period of time, as opposed to a single event. Only a limited number of awards will be presented, therefore, only those nominees whose accomplishments are of the highest order will be recognized. Nominations will not be accepted or considered for posthumous awards.

E. Urner Goodman Camping Award

The E. Urner Goodman Award was established in 1969 as a tribute and testimonial to the Order's founder, E. Urner Goodman. Its purpose is to encourage and challenge Order of the Arrow members and lodges to increase their effectiveness in promoting and increasing Scout camping in each council. Awards are presented to two outstanding lodges in each region annually. For a lodge to be eligible for consideration, the E. Urner Goodman Camping Award petition should be completed and forwarded with the lodge's charter renewal application.

OA Service Grant

One of the four fold purposes of the Order of the Arrow is "to crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others." It is with this spirit of cheerful service to others that the Order proudly offers the matching service grant program.

For several years, the National Order of the Arrow Committee has provided matching service award grants for a limited number of projects submitted by application to the national office. Respective council offices receive letter notification from the national office when they are awarded the grant.

Matching grant money is given to lodges for camp or service center projects in their local council. The Order will provide up to one-half of the money for a service project, with a \$5,000 maximum amount granted for any lodge project.

All Service Grant Applications must be submitted to the national office by October 31st, for projects to be done the following year.

OA Centurion Award

For nearly 100 years, the Order of the Arrow has purposefully recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. Therefore, our organization's centennial provides a unique opportunity to commemorate those among us who are exemplars of the "high ideals and purpose of the Order of the Arrow." The Centurion Award aims to highlight "Hometown Heroes," or Arrowmen who have meaningfully contributed to the forming, maturing and ongoing operational excellence of their local council's lodge, and who, in doing so, inspired others to follow in their footsteps.

This award is a one-time recognition associated with the centennial anniversary of the OA that is bestowed by the national Order of the Arrow committee. It is modeled after a similar program in the BSA's 100th anniversary celebration, the 2010 National Hall of Leadership. Accordingly, this recognition is an opportunity to highlight lodge development over the last century and the many individuals, both youth and adult, who were instrumental to this success. These honorees will serve as exemplars of leadership, modeling to others a commitment to cheerful service as the Order of the Arrow enters its second century.

Criteria for Nomination

Centurion Nominees must have been registered in the BSA, the local council and the Order of the Arrow lodge during their recognized "service period." A nominee need not have remained registered in the BSA, local council or Order of the Arrow lodge past the service period, nor at the time of nomination. Therefore, nominees may be living or deceased and should have provided significant contribution(s) to the lodge's legacy. Evidence of a historical member of the lodge may, but need not be, sourced from information within the lodge's centennial history book.

Each nominee must be designated as either a youth or adult contributor. A youth contributor denotes that the nominee's service period occurred while he was under 21 years of age. An adult contributor denotes that the nominee's service period occurred while he or she was over 21 years of age. An adult contributor can be recognized for his or her service as a professional or volunteer. The minimum service period is 3 years for a youth contributor and 6 years for an adult contributor. Time as a youth contributor may not be applied to the minimum time for an adult contributor (i.e., there can be no adult contributors under 27 years of age).

Recognition of Centurions

Nominees selected by the national Order of the Arrow committee will be provided with a certificate and recognition ribbon consisting of a red and white ribbon and a metallic totem symbolizing the centennial anniversary of the Order of the Arrow.

There are a variety of opportunities for Centurions to be recognized, at the local, regional and national levels.

First, several opportunities will occur during the 2015 National Order of the Arrow Conference in August. All attending Centurions will be encouraged to wear their commemorative medallion when in Class A uniform. Additionally, the NOAC Centennial Celebrations Committee plans to honor the deeds of Centurions at key conference events. For example, Centurions will be highlighted during the Centennial Show and invited to a special reception at the Centennial Festival. The Centennial Gala will also acknowledge the contributions of Centurions over the course of the banquet program.

Second, a digital publication on the national OA website chronicling the stories of each of these Arrowmen will be published. Each entry will include a photo of the Centurion in service, a listing of the lodge, council and hometown, as well as an anecdote provided from the nomination on this Centurion’s unique exemplary service to the lodge. This publication will be made available after all nominations have been submitted, but before the 2015 National Order of the Arrow Conference.

Third, during ArrowTour, part of each region’s static display will be reserved in order to recognize local Centurions from that particular geographic area. Finally, lodges are encouraged to recognize their Centurions at appropriate lodge or council functions. Such examples include the lodge’s annual holiday banquet.

To successfully support our local council’s lodge in recognizing its “Hometown Heroes,” lodge’s carefully considered nominating Arrowmen who had selflessly exemplified the ideals of brotherhood, cheerfulness and service and passionately devoted themselves “to help other people at all times” and meet the needs of others. Upon entry into the OA’s next century of service, these Centurions will serve as a hallmark and ardent reminder of our Order’s commitment to cheerful service.

Excellence and Quality Lodge Recognitions

In 1957 the lodge re-charter process and forms were changed from an information device to a “policy compliance” agreement.

Questions regarding ceremonies, membership, administration, rules, adults, and funds were incorporated, requiring a “yes” or “no” answer, thus establishing the first “standards” for lodges. In 1960, a total of 16 questions were developed as part of a lodge training effort. These questions were listed for “appraising the operation of an Order of the Arrow lodge” and became the first formal set of standards provided to lodges.

In 1968, based mostly on the 16 questions, a formal National Standard Lodge (NSL) program was established. In the initial rollout, only three

lodges earned NSL status, largely due to the 50% Brotherhood requirement, which only eight lodges achieved. By 1970, 71 lodges (out of a total of 488) were National Standard Lodges. In 1978, the program was replaced with the “Lodge Achievement Program” and then later the National Quality Lodge

Program.

In 2006, a Quality Lodge pin to recognize the efforts of Arrowmen was introduced with proceeds from the Quality Lodge pin sales going to the Order’s Endowment fund.

The Order of the Arrow began the implementation of Journey to Excellence in 2012. Due to its incorporation into the lodge re-charter process, every lodge in the Order participated in the past year’s JTE program. To simplify re-chartering and JTE recordkeeping, information can now be submitted through OA LodgeMaster and each council will receive a direct charge to cover national membership expenses.

The data collected during the first two years of JTE has been incredibly valuable. To continue helping lodges improve, there will be incremental changes to the program in coming years. All changes will be announced 18 months in advance, so that lodges can plan accordingly.

The first set of changes will occur for 2014 JTE. The 2014 requirements were released in May of last year. While the requirements are unchanged from 2012 and 2013, the standards required to achieve each level of recognition have been adjusted based on previous data. These new benchmarks (and all future ones) are based on

the top 10% of lodges earning gold, the middle 50% earning silver, and the top 80% earning bronze on a given requirement.

2015 will be the first year the requirements undergo changes. The most significant change is the elimination of required items. Such a move allows lodges that were unable to meet the two previously required standards to remain focused on the areas in which they excel, and still achieve recognition. Similarly, the numbers of points per item have been adjusted, to place a higher emphasis on particular requirements. Standards such as membership growth and event attendance are weighted significantly higher than other objectives.

Some requirements have also been removed or combined, and a few new requirements have also been added. The 2015 Performance Points are now available for review.

Lodges must now complete elections in a percentage of units throughout the entire council, rather than only for units requesting an election. Points can be awarded for helping units to earn the OA Unit of Excellence Award, and points will be available for lodges making in-person visitations to units for other purposes, such as camping promotions. These new requirements push lodges to reach out and enhance the Order's visibility in all Boy Scout units.

A final programmatic change for 2015: JTE and charter petitions will be exclusively accepted through OA LodgeMaster. The JTE and OA LodgeMaster teams are working to create an implementation plan, which will be released this autumn.

Journey to Excellence is an incredible resource that allows the Order to collect and understand data in a way that has never before been possible. It shows how the Order is growing, supporting local councils, and reaching out to individual units. Subsequently, it will be providing insight that has the ability to shape our entire organization. Lodges should work to embrace the JTE data that is available, letting it guide them in their efforts to grow and improve each year.

Appendix E – Vigil Honor Members

The names of Vigil Honor Members are arranged alphabetically by last name. This is a list of Vigils that have been members of the lodges in the area that is now Crossroads of America Council. As best as can be determined, the lodge name refers to the lodge in which the Arrowman became a Vigil. The “*” indicates that the lodge was not part of a merger in the CAC area. Please report corrections to historian@jaccostownelodge.org. The list of Vigil Indian names and English translations will be posted to the Lodge History page at www.jaccostownelodge.org.
