JACCOS TOWNE LODGE, CROSSROADS OF AMERICA COUNCIL

Kinohsamia

Lodge Chief's Wigwam

Ryan Eiteljorge

Fellow Arrowmen,

This is my last time to write to all of you as the Jaccos Towne Lodge Chief. As outgoing chief, I can't believe how far we have come and the positive direction our entire lodge is moving in. This year has been one that I hope many of you will never forget, for each and every one of you have made it the most memorable year for me. First, thanks to every one who supported the lodge in one form or another this year. Whether it was by teaching trainings, running an activity, cooking meals, or just attending lodge functions, your determination has produced the success of our lodge this year. Secondly, thanks to all the officers and advisors at the lodge and chapter levels. Now at the end of another year, we can truly see how your hard work has paid off. And lastly, congratulations to all new Ordeal members and to those who have furthered their knowledge of the Order by becoming Brotherhood members or even Vigil Honor members.

Nevertheless, our work is not yet finished. In the coming month we will have our Lodge Leadership Development to train the new officers for the 2006 year. However, this year's LLD needs everyone help. On Saturday, from 9:00-3:00 will be the Scoutreach Mentoring Day. Every chapter has been issued an area to work with the Urban Scouts on and help will be needed from the youth and adult sides. Then finally, we finish the year with our Winter Banquet. Check your Winter Banquet Registration form for a schedule of events. I believe that the Winter Banquet will be a great time to end one great year and to begin another.

Yours in the Wimachtendienk,

Ryan Eiteljorge

Advisor's Minute

Kim Wickizer

It's the time of year that changes are happening. The leaves are turning colors and falling. The corn and soybeans are being harvested. Everyone is pulling out the heavier coats and gloves to wear. The homes are being readied for winter.

The Lodge is working on similar things. At the Fall Fellowship you elected new officers to lead you next year in 2006. Tom is working on that now even though he will not be inducted until the Winter Banquet. Ryan is working on completing his remaining duties of the year. He is not done yet and it is great to see him still making things happen. One of the things that is good to see is the assistance that he is giving Tom to make the change over smooth. It is doubtful that any of you would notice anything happening.

I hope that you will support the Lodge by attending the LLD in November and the Winter Banquet in December. Both are shaping up to be exciting and fun events. The next year will be full of opportunities for the Arrowmen of Jaccos Towne Lodge. Make sure that you pay your 2006 dues so you can continue to receive the mailings that will let you know what is happening in the lodge, council, section and the National level.

As we finish up the year it reminds me of the field that was planted this summer with soybeans. I have passed it every day for the past 4 weeks as I go to my Mother's home south of Shelbyville to help her. They have planted winter wheat in it and it is about 3 inches tall and green, green, green. What a shock it was the day when it had grown enough to make itself visible. If we all would look to the future the way the farmer does, we could fill our lives with what is important to us and build on the future. Family and friends being two of the most important ones that I can think of. Take the time to thank everyone that has been there for you throughout the past year and helped you get to the point in your life that you are today.

NATIONAL ORDER OF THE ARROW TRAIL CREW

Philmont Scout Ranch – Cimarron, New Mexico

ABOUT THE PROGRAM

The Order of the Arrow is offering you an opportunity to join other Arrowmen in cheerful service and the formation of lasting brotherhood on the trails of Philmont Scout Ranch. Under the direction of the Philmont Conservation Department, experienced Philmont staff members with strong Order of the Arrow backgrounds will lead participants on the two week trail crew and trek.

The program is a fourteen-day experience. The first week focuses on trail construction and maintenance under the guidance of Philmont trail crew foremen. The second week is a seven-day backpacking trek that is designed by the participants.

Trail building is tough. The worksite experience is full of long, strenuous days requiring a great deal of physical effort. Other than trail building techniques, Scouts will strengthen their leadership skills, learn advanced wilderness and low-impact camping skills, observe and participate in group wilderness safety, good judgment, and motivation activities, and receive special OA instruction. Participants are expected to use their experience to benefit their troop, chapter, lodge and council programs.

REQUIREMENTS

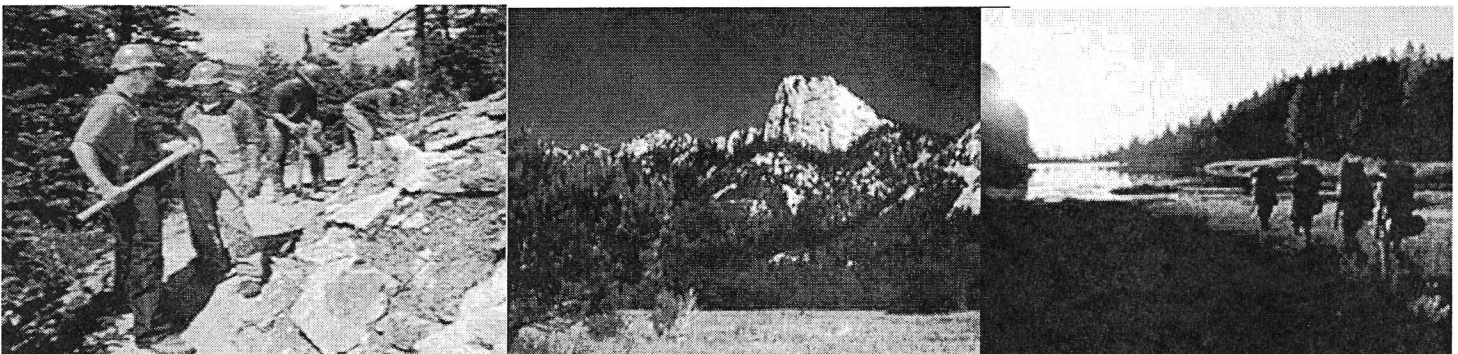

- Be at least 16 years old the day your program begins, but not 21 by its conclusion.
- Be physically fit, able to lift and handle materials up to 50 lbs. (Philmont height and weight guidelines listed in the application will be strictly enforced.)
- Be a registered member of both the BSA and a local OA lodge.

No exceptions can be made to these requirements. Selection for this program is competitive and is both an honor and a privilege.

UNIQUE OPPORTUNITY

Jaccos Towne Lodge has a unique opportunity for the 2006 Philmont Trail Crew. A fellow Arrowman has offered to pay the \$150 trail crew fee for twelve Arrowmen from Jaccos Towne Lodge to attend in June 2006. Come to the Lodge Banquet December 11 to learn more!

Youth members interested should notify Lodge Advisor Kim Wickizer at ekwick@lightbound.com or at 317-398-7805 as soon as possible to reserve a space on the contingent. Reservations include completing a trail crew application and making a \$50.00 deposit to the Lodge. (DO NOT mail payments to the National Order of the Arrow office if you wish to take advantage of this special scholarship opportunity.) Adults interested in driving and attending a training conference at Philmont during the same timeframe should also contact Kim. Transportation arrangements are being developed and details will follow by January 31, 2006.

JACCOS TOWNE LODGE 2006 DUES

Dear Brother:

Jaccos Towne Lodge, Order of the Arrow, is sending you an easy method to renew your dues for 2006.

Please check your address label on the front of the letter. There is a year above your name, which indicates the year your dues are paid through. If the year is 2006 or later, you need to do nothing. If the year is 2005, you only need to pay your 2006 dues. If the year is prior to 2005, you need to send both a reinstatement fee and the dues renewal.

You may remove the bottom of the form and do one of four things:

1. Mail the form and your payment (check only, please) to the address listed below,
2. Take the completed form and payment to your local Scout Service Center,
3. Bring the completed form and your payment to the Lodge Banquet on December 11 at Camp Belzer, or
4. Take the completed form and your payment to your next chapter meeting.

Yours in Brotherhood,

Ryan Eiteljorge
