## Lodge Chief's Talking Feather

Good day, Arrowmen,

Hello all, this will be my final Talking Feather as your Chief. I have had a fun and meaningful experience this year but it is not over yet. There are two events left for the year. The first is LLD at Camp Belzer on November 15th through the 17th. The second is our Lodge Banquet on November 16<sup>th</sup> also at Camp Belzer. Our speaker for the evening will be our new Crossroads of America Council Scout Executive, Patrick Sterrett. I hope to see you all at these closing events of the 2013 year.

Yours in Brotherhood,  
Nick Livengood

Chief, 2013  
Jaccos Towne Lodge

## Advisor's Corner

### Passing of the Feather

With the end of 2013 closing in on us we plan to close the year with planning for 2014 and a banquet to celebrate and reflect on a successful 2013. As with many of these banquets, we will this year say goodbye to our current Chief as we welcome in a new one for next year.

This passing of the Feather, or transfer of the Chief's ceremonial headdress, is a bitter sweet part of Lodge life.

On the one hand, we are thankful to Chief Nick Livengood for outstanding service to the Lodge during my first year as your Adviser. Nick, it has been my pleasure to serve with you. You have exhibited a commitment worthy of recognition. You have made your mark on Jaccos Towne Lodge in this 10<sup>th</sup> anniversary year. Thank you for your service and for your continued support of our future.

On the other hand, we welcome our new Chief. Arrowman Robby Kile stands ready to begin making his mark on the Lodge as he will guide us through 2014. What will be his legacy? Will you be among the Arrowmen that support him in this sometimes irksome task?

Thank you Nick and Robby, for service past and yet to come.

Yours in the Wimachtendienk,  
Rusty Helms  
Jaccos Towne Lodge Adviser

# 2014 Order of the Arrow High Adventure

## Philmont Trail Crew

The program is a fourteen (14) day experience. The first week focuses on trail construction and maintenance under the guidance of Philmont OA Trail Crew Foremen. The second week is a seven day backpacking trek that is designed by the participants. The program is not simply building trail and hiking though, the OA Trail Crew is ultimately a journey that challenges Scouts mentally, physically, and spiritually.

## Ocean Adventure

This ten day program will provide an array of service opportunities that include work helping to develop the Florida Keys Heritage Trail, removing invasive species in and around the Sea Base's Big Munson Island, and supporting both the Crane Point Nature Center and Marathon Wild Bird Center in preserving the Keys flora, fauna and wildlife. You will be camping at both Big Munson Island and Crane Point during the service portion of the program, after which you will move aboard a 40-50' sailing yacht for four days at sea. While afloat, you will experience the fun and excitement of life in the Keys from the unique perspective of a sailor as you sail, snorkel on pristine coral reefs, troll for sportfish, and swim in the warm waters of the Keys.

## Wilderness Voyage

The OA Voyage program is inspired by the traditions of the French Voyageurs who ventured the northern wilderness during the 1700-1800's. Traveling thousands of miles by water and portage, these Voyageurs were hired to haul goods and furs to trade with Native Americans and Europeans. In the spirit of these adventurers, Arrowmen will embark on a voyage that is twofold.

One-half of the OA Northern Tier Wilderness Voyage focuses on portage trail and campsite maintenance within the Boundary Waters. The remaining expedition is spent on a canoeing adventure that is planned and chosen by the participants in the program.

## Canadian Odyssey

The Quetico Provincial Park is a vast wilderness with over 600 lakes set inside more than a million acres. The Canadian Odyssey allows Arrowmen, returning and new participants alike, to see and explore entirely new territory while at the same time providing crucial service. Odyssey crews will labor to repair and maintain portage trails in Ontario during the first week. The second week they will paddle back to the United States on a route of their choosing.

<http://adventure.oa-bsa.org/oaco/about.php>

## Summit Experience

The Order of the Arrow Summit Experience program is an eight-day adventure at The Summit Bechtel Family National Scout Reserve bordering the New River Gorge National River Area. While experiencing over 10,000 acres of adventure, you have the opportunity to explore the Summit like no one else, while blazing trail with the first year of the Order of the Arrow Summit Experience Program.

Four days of the program will be focused on building or maintaining trail around the Summit, and the New River Gorge National River Area. The remainder of the experience will revolve around white water kayaking and rafting, along with mountain biking, climbing, and participation in other Summit activities. Participants will not only build trail, but also bonds of brotherhood as they start their High Adventure journey.
