Deadline: Jan 10th for submission of design to Scout Office, c/o John Fenoglio. All the designs will be on display at the Winter Banquet. **Arrowmen attending the Banquet will vote and choose the winning NOAC flap patch design.** The designer of the winning patch design will be awarded two NOAC patches!!!

The design must include: "Wulakamike", "Lodge 21" or the number "21", a fleur-de-lis, 3 "W"s, and "1994".

Optional, but recommended to make patch unique: "National Conference" or "NOAC" or "N.O.A.C."

Let's see some awesome designs at the Winter Banquet!

I would first like to congratulate the Lodge Officers on being elected. I think that this administration will be able to work together very well over the next year. This next year should prove to be very exciting with us hosting the conclave at Ransburg in April. We also hope to improve on our involvement in the summer camp program at Ransburg as well. This next year is also going to be fun with NOAC coming to Purdue University in August. This is about as close as it will be in quite awhile. NOAC is a lot of fun and a good way to meet arrowmen from all over the country.

I would like to put a challenge before each of you for the coming year, *get active in your chapter and in the Lodge*. The Chapters and Lodge need your help in order to stay strong. We need arrowmen to help with ceremonial teams and with all the parts of ordeals as well. The more active you get with your chapter and with the Lodge, *the more fun you can have*. Remember to get involved because there is no limit to what we can accomplish if we work at it.

Yours in Wimachtendinck

WULAKAMIKE LODGE TO HOST SECTION CONCLAVE IN APRIL '94

The Section Conclave - a gathering of Arrowmen from throughout the State of Indiana and some parts of neighboring States - will be held at Ransburg, April 8-10, 1994. The Conclave is always a special event, but the next one is especially extraordinary because our Lodge will be the host Lodge for the event.

*This will be our chance to show Arrowmen from other parts of Indiana just how fantastic our Lodge is. We will be able to set the example for demonstrating a cheerful spirit of unselfish service as hosts to fellow Arrowmen. **Help us put on the best and most fun-filled Section Conclave that anyone have ever attended in Indiana!** Let's show others that we know how to organize, effectively run an event, and put on an awesome show. *Let's be a host Lodge that we can be proud**

to call our own!

Our Lodge is one of the largest in the Section, but we have often had poor attendance at the Conclave. **Let's all plan to attend the '94 Section Conclave** and have the largest contingent at Ransburg (Registration form in Feb). The goal of making the '94 Conclave the best one ever, can easily be attained if we all work together.

Reserve March 25 and 26, 1994 for helping us prepare Ransburg for the Conclave. We will arrive Friday night so that we are ready to begin early Saturday. By working together we can easily finish in time for a **FEAST** Saturday evening! Although the joy of accomplishment is its own reward, those who help at Ransburg will receive a **surprise award**. **Mark March 25, 26 and April 8-10 on your calendars today!**

Excitement and Fun at Fall Fellowship

Arrowmen of Wulakamike Lodge 21 gathered together at Camp Kikthewenund in September for a festive Fall Fellowship. Some Arrowmen were lucky enough to be able to sleep in one of the 5 tipis that were erected. The sight of these tipis was beautiful and exemplified the Native American focus of the weekend. Close to 150 excited Arrowmen attended the annual Order of the Arrow Fall Fellowship.

Activity started Friday evening with a fast paced patch and memorabilia auction. The festive events continued on Saturday as Arrowmen of all ages strutted their stuff and showed their skill at a wide range of Indian games. Instruction in Native American dance, tipi setup and maintenance, and Indian regalia construction were offered throughout the day. Everyone had a fun time and learned about the Native American foundations of the Order of the Arrow.

In the evening, the 1993-1994 Wulakamike Lodge Officers were elected. Our new Lodge Chief is Scott Beard, while Keith Wickizer and Scott Oburn were elected as the Lodge Vice Chiefs for Program and Administration, respectively. Jason Doherty was elected Lodge Treasurer and Eric Korchnak was elected to a second term as Lodge Secretary. The evening concluded with an entertaining and spirited campfire program.

Vigil Honor recipients were recognized and their Leni Lenape names announced on Sunday. Every Arrowman returned home with memories of a good time and warm fellowship in their hearts.

*Special Thanks to Art Weaver, Gary Jones, and Bill Dawson for keeping everyone well fed! You guys deserve more than a ton of applause for the outstanding meals you prepared for us. **Thank you very much** for your cheerful and unselfish service for the benefit of your fellow Arrowmen.*

NAT' ORDER OF THE ARROW CONF.

Between July 31 and August 4, 1994, over 6,000 Arrowmen and advisers will gather for the 73rd National Order of the Arrow Conference (NOAC). Our lodge will be among over 350 other lodges, to participate in this truly exciting Boy Scout event. Arrowmen will have the opportunity to receive leadership training, see exciting shows and gala American Indian events, and experience great fellowship! There will be tons of patch-trading going on. All of these have become, the hallmark of NOAC - one of the *scouting events of a lifetime* that every Arrowman should experience. This event will be one you do not want to miss!!!

Purdue University, one of America's 25 largest universities, will be the gathering place for Arrowmen and Advisers from around the United States. Purdue is a university which has produced many of this country's astronauts, home of Nobel Prize winners, and alma mater to numerous college and corporate presidents. For Indiana Arrowmen, this will probably be the least expensive (minimal transportation costs) and most convenient (only a few hours away) NOAC in the near future. You do not want to miss out on this opportunity!!!

The cost for these fun filled fantastic days is \$185 for youth and \$215 for adults due by April 28, 1994 in the Council office. After May 29, the conference fee will increase by \$25. These fees include lodging and meals which will be provided in the university dormitories. You don't have to pitch a tent. You don't have to cook. All you have to do is show up for the FUN!

***** IMPORTANT ***** For the 1994 conference, the national Order of the Arrow committee has established a reservation quota for all lodge contingents. The quota is based on 3 1/2 percent of our lodge's December 31, 1992 year end charter membership. The ratio of youth reservations to adult reservations has been set at 2 to 1. Our lodge's reservation quota for the 1994 conference is 18 youth members and 8 adult members. We have until March 1, 1994 to fill our allocated number of youth and adult reservations. Reservations not used by March 1, 1994 will be released by national on a "first come, first served" basis only, so there will be the possibility of sending more Arrowmen from our lodge.

The Wulakamike Lodge contingent will be filled on a "first come, first served" basis. After the quota is filled, then a waiting list will be established, also on a "first come, first served" basis. Reservations must be made through the Council office, by bring or mailing the form below together with a non-refundable deposit of \$50.00 per reservation.

Crossroads' Scout Memorabilia Auction and Tradoree is coming Feb. 5th. Arrowmen had fun helping out at the event last year. They were able to see some unbelievable collections of OA patches and Scout memorabilia. We will need some Arrowmen to help again this coming February. Please say yes to your Chapter Chief's request.

BROTHERHOOD OF CHEERFUL SERVICE DEMONSTRATED AT '93 JAMBOREE

The Order's cheerful service to others has never been better demonstrated than it was at this year's National Scout Jamboree. 129 Arrowmen, from across our nation, volunteered to serve in the Order of the Arrow Youth Service Corps and provided hundreds of hours of valuable service to help make the jamboree a first class event.

Arrowmen provided manpower for program areas, arena shows and logistical support during the week long jamboree. The Order also constructed a native American village at the jamboree which provided daily native American dance demonstrations, classes on costume construction and a model campsite.

'Tis the Season to be Jolly...

Make Our Lodge a Happy One - Please pay your dues

The holiday season is rapidly approaching and we know that it will not only be joyous and memorable, but may also find you "short of change." Be Prepared! Set aside some money for the Winter Banquet (and for that great Lodge patch!). And remember, in order to support the exciting events planned for 1994, dues income will be needed. Lodge dues are \$5 per year. *If you have not paid your dues yet for 1994, please pay your dues*. If you did not pay 1993 dues, you also owe for this year. A dues form is provided below. **Check the corner of your mailing label to see what year you're paid up to.** Any questions about dues should be referred to Mr. Paul Herring at 636-8587.
