## LODGE CHIEF'S TALKING FEATHER

Brothers, as you probably all know, we are just now in the very beginnings of our Centennial Year. With Section Conclave and ArrowTour both coming to our own Lodge, and NOAC getting closer every day, we have so much to look forward to. This is a very exciting year, not just for us as an Order, but for Jaccos Towne Lodge. I don't know how many of you live-streamed the NOAC theme announcement on December 28, but I did, and it spoke to me quite a lot. The last two NOACs have had themes building up to this year's theme of *It Starts with Us*. Before announcing the theme itself, last year's National Vice Chief was speaking about one of the important lessons that we as an Order want to instill with this year's National Conference. That lesson struck me not only as being very profound, but also as a challenge that we should all consider not only for this Centennial Year, but for the rest of our lives. That lesson, that simple and profound idea, is that *We create tomorrow with action today*. While that is a simple phrase, it is incredibly powerful. It means that our actions are creating the world we are going to live in. With every action that we make in the world today, we are building the world of our future. And while I could go on forever

about how this applies to us shaping our Lodge program to make the year better, but it's important that we take away more than just an Order of the Arrow message from this idea. We need to recognize that every action we take in our lives builds a world where we will have to make new decisions. These decisions that we make today will shape our lives forever.

To that end, I challenge you, my brothers, to make the right decision in every circumstance. No matter how trivial the task, I exhort you to choose to do your best. I urge you to use the Scout Oath and Law, as well as the Obligation as your decision points. These are not just empty words that we say once a week or once a month, but they are promises we make to ourselves and to our brothers about how we are going to live our lives. If our actions today are guided by the Scout Oath and Law, then at the end of the day, we can sleep easy knowing that we have stood by our principles, and when tomorrow comes, we can face the day knowing what kind of person we each want to be.

Yours in Scouting,  
Robby Kile

## Lodge Adviser's Corner

**1915-2015** – the Order of the Arrow has been in existence for 100 years – a century of service to Scouting and the community. This is a time for reflecting on our past and looking forward to the next 100 years.

We are really a young lodge, formed in 2003 when the Wabash Valley Council merged with the Crossroads of America Council. Several of our chapters were once lodges and have preserved their traditions. As part of the centennial project, one of our Arrowmen is compiling a written history of our lodge. We won't lose sight of our past.

The lodge submitted a request to have ArrowTour 15 make a stop at one of our council camps. That request was approved and National OA will be bringing a bit of NOAC to Camp Belzer on Wednesday, July 15. Stay tuned for details.

Another event that you won't want to miss is the Section C6A Conclave that Jaccos Towne Lodge is hosting at Camp Belzer in April. The theme is *In the Spirit of the Past*.

*It Starts With Us* is the theme of the 2015 National Order of the Arrow Conference. Each of us – youth and adult – has the ability to make a difference, whether serving in our unit, district, lodge, council, or community. It is why we were chosen to the Brotherhood. Chief Robby Kile and the lodge officers will need your commitment and participation to achieve the goals they've set to make a difference. The next century starts with us . . .

Yours in the Wimachtendienk,

Anne Phillips

## From the Editor

**M**y name is Justin Reis. I am a 19-year-old sophomore at Indiana University, and I am Jaccos Towne Lodge's Vice Chief of Communications and Vigil Chairman. I am an Eagle Scout from Troop 232 in Pendleton, Indiana, part of Sakima District. I have been in the lodge for going on 7 years now and have been actively participating in lodge events the entire time. I am an avid ceremonialist, and my team and I have done the Ordeal ceremony for the lodge the past two years in a row. Being that I am about to turn 20, this will unfortunately be my only term as an officer of the lodge. Having only been an officer a month now, I really wish I would've gotten into it sooner. If there's one thing I could tell incoming Arrowmen, I would tell them that if they want to become an officer in the lodge or even just chip in and help out with one of our four yearly events, I highly encourage it. The end feeling of something going really well, and knowing that you were part of the reason why it went so well, is a truly amazing feeling.

## Vigil Nominations

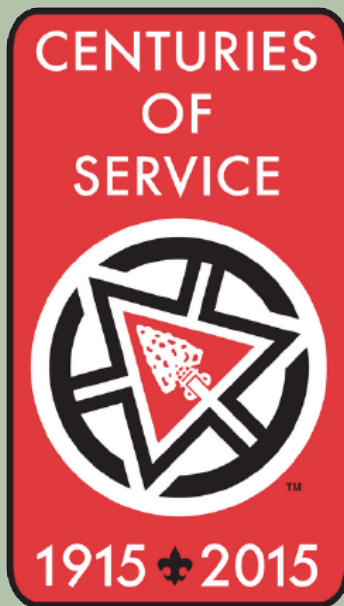

The Vigil Honor is reserved for those Arrowmen who, by reason of exceptional service, personal effort, and unselfish interest, have made distinguished contributions **beyond** the immediate responsibilities of their position or office to one or more of the following: their lodge, the Order of the Arrow, Scouting, or their Scout Camp. Candidates must be registered members of the Boy Scouts of America AND dues-paid members of the Lodge. To nominate someone for the Vigil Honor, the nominator must fill out and submit a completed National Vigil Petition AND a Vigil Guide Form.

All Nomination and Vigil Guide forms are due at the March LEC. Please submit them to either the Vigil Chair ([vigilchair@jaccostownelodge.org](mailto:vigilchair@jaccostownelodge.org)) or Erik Wickizer ([vigiladviser@jaccostownelodge.org](mailto:vigiladviser@jaccostownelodge.org)).

The Vigil Selection Meeting will start at 3:00 p.m. Sunday, April 12th. All Chapters are asked to send two members who are not eligible for Vigil, preferably one who is already a Vigil. The committee would like the names of these Arrowmen by the March LEC.

Forms are available on the Lodge website at: [www.jaccostownelodge.org](http://www.jaccostownelodge.org).

## Centennial Arrowman Service Award

The Arrowman Service Award (ASA) was released as an opportunity for Arrowmen to commemorate the Order's centennial anniversary and deepen their participation in the 2015 celebration. To earn the award, an Arrowman must complete three categories of criteria with various requirements. These categories are personal growth, Scout service and 100th events. Each contains a required task and then several other requirements to choose from, so that Arrowmen have options when completing the award. Requirements forms are available on the lodge's website at: [www.jaccostownelodge.org](http://www.jaccostownelodge.org). Please be aware that there are different forms for youth and adults so make sure you use the correct one!

Completed forms may be turned in to Chapter Advisers or the Lodge Adviser.

The LEC has voted to give one centennial Arrowman Service Award patch to each Arrowman in the lodge who earns it. This patch is meant to be worn on the sash and is the only patch so authorized!
