

THUNDERBIRD

Letters to the Lodge:

Fellow Arrowmen,

I hope that all of you are well. The Section Conclave will be April 19th through the 21st at Anderson University, on the other side of Indianapolis. We have pledged 25 people, and this is the greatest percent of registered youth pledged by any lodge in our section. I hope to see us break this pledge. This is a wonderful chance for you to meet others in our section, have fun on a college campus, and learn a little while you are there. This is also the weekend for our Section Elections, where we elect our section officers. Who knows, maybe one of our members will be elected to an office. I hope to see all of you there.

Keep in mind that the council Wildwood Workday will be on April 13th. This is one of the requirements on your list for the Lodge Service Award. If you do not have the paper for this, that you could have picked up at the Winter Banquet, please give me a call or E-mail me and I will make sure there is one there for you. I will not be able to be there and sign your papers, but Fred will be there with pen in hand, but make sure not to hinder the progress of the Work Day. I hope that as many of you will be there as possible to help.

Fellow Arrowmen,

I would like to see everyone at Anderson University for the Section Conclave, April 19th-21st. I would also like to see all Arrowmen at the Spring Fellowship at Camp K, May 17th-19th. Remind recently voted members of the OA, that this will be their last chance to go through their ordeals. Also, don't forget to pay your dues!

A Few Words From Our Officers...

Fellow Arrowmen,

I would like to invite everyone to join us at the Section Conclave. I have been working with the new Ordeal Chairmen to prepare Elangomat Training. If you would like to attend, or have any questions about Elangomats, contact me with the information enclosed within the newsletter. I will be contacting those who have already signed up soon.

Fellow Arrowmen,

It's the beginning of a new year and we have great opportunities for fun, learning, and adventure with the OA sponsoring events at camporees. We have several big activities planned, including the Section Conclave, which we hope to see you all at, NOAC, which is a great activity that no-one should miss, and the Spring, Summer, and Fall Fellowships. I'm hard at work in these early months preparing for elections, contacting Scout Masters is my top propriety, so that the elections will turn out great, and we will have a great turn out at the Summer and Fall Fellowships. Have good times at the events and contact me if you would like to be on my elections committee or if you just have a question.
