

Order of the Arrow The Goodlander

Dear Brothers,

It is my honor and pleasure to serve as your chief for this year. I feel that we have able officers, enthusiastic chairmen and dedicated advisors who are making it their prerogative to uphold a tradition of excellence inside our Lodge. Enticing programs, unique and creative training and a reformed service initiative are all parts of what is going to make this year in our Order one to remember.

Our leadership is growing; our influence is spreading. It is my hope that this year our Lodge can set the stage for greater involvement in the Council, and by doing so, can establish a more cohesive bond between the Lodge's Chapters. Furthermore, through the Lodge's One Day of service, hopefully a theme of community service can be promoted by the Order. In addition, at our fellowships it is our goal to plan a weekend conducive to the spirit of brotherhood. May it be our steadfast purpose that the points represented in the Scout Oath and the Scout Law influence us as we go about our daily lives.

Yours in the Brotherhood
of Cheerful Service,
Drew Updike

ONE DAY Service Project

By Robby Tompkins

Lodge Service Chairman

We've always heard people say that we'll do that some day soon, or that service project will be done in the fall. Well, that One Day is coming, and we have the chance to make it happen. One Day is an opportunity for every Chapter in the Lodge to do meaningful service in their communities all on One Day. One Day is a terrific way to get members involved, make a significant contribution to the community and have fun with your fellow brothers!

One Day will be held on Saturday, September 25, 1999. While we would like every Chapter to participate on this day, the focus for the program is on its purpose - community service - not the day itself. I realize that some chapters may already have something set for that weekend, but we still want everyone to participate. An alternate day in September or another date that best fits a Chapter's schedule can be selected.

Chapters may select any type of community service. Arrowmen can be seen helping out at hospitals or cleaning up a local park. Others could work on a school ground restoration project. As you can see, your only limitation is your imagination. Service projects are as varied as the communities we serve.

Joint Service Project

By **Drew Updike**
Chief

Service, being one of the three points of our Order, is a primary focus of our Lodge's programming. Each year, before the opening of our Council camps at Ransburg and Kikthawenund, we hold a day of service at these camps to aid in their preparation and enhancement. Furthermore, the Firecrafter program also does service to these camps on the same day and works in coordination with OA. Thus, this worthwhile endeavor is called the OA/XXX Joint Service

Project and was held on Saturday, June 5, 1999.

On this day, members, youth and adults gave their time and effort to better Camp Ransburg and Camp Kikthawenund. They were able to camp over Friday night and use whatever facilities that the camps had up and running. More details about what kind of projects were completed and how the day of service went will be available at Summer Fellowship and will appear in the August issue of the Goodlander. To all arrowmen who attended, we appreciate the work which they were able to get done.

Fall Fellowship will be down at Ransburg this year from September 17th to the 19th. If you have anything you would like to see there, call Seth Powell at (765) 288-1946. Make sure you mark the weekend on your calendar! Saturday night we will be electing Lodge Officers, and the September Lodge Meeting will be that Sunday at Ransburg. Make sure you get a chance to voice your opinion on the future of the Lodge!

Games highlight Summer Fellowship

By **Seth Powell**

Vice-Chief of Program

Summer Fellowship this year will be July 17th. The whole afternoon will only cost \$2.00. We will start the activities at 2:30 in the afternoon at Camp Belzer. We will be having a 3 on 3 basketball tournament, done by chapter, starting at 3:00. Try and put together a team in your

chapter before you get there so that we can start as soon as possible. The Summer Fellowship itself will be at the shelter right next to the basketball court across the river. There will also be a Trivial Pursuit Tournament.

We are hoping that each Chapter will have a team for both tournaments. For those of you that do not want

to compete at anything, the Lodge Gaming Chest will be out for all to use.

After all the games will be dinner at 5:30. It is a pot luck dinner with chicken and drinks provided. Please bring a side dish or dessert and tablesettings for yourself.

Make sure you register at the Indianapolis Scout

Office ahead of time so that we know how much food to plan for. At 6:30, after dinner is finished up, there will be a very short campfire.

To finish off the day, there will be Vigil Callouts. We will be done by 7:30. Come out for an afternoon of fun and fellowship, and see who from your chapter was chosen for Vigil this year! See you there!

Without the work of Gerald South, trading post chairman, and Marilyn Deaton, trading post advisor, the supplies for our spring and fall ordeals would have never been as efficiently distributed and neatly organized as they were. Now that most of the spring Ordeals are complete, South is asking that the extra supplies from the different Ordeal sites be returned to him at the Summer Fellowship or at the August 15 meeting. On these dates, the supply lists for fall Ordeals can also be submitted to South.

Summer Fellowship Registration

Please at least notify the Indianapolis Scout Office by July 12, even if you don't want to pay until you get there. That way we will know how much food to buy. Thanks.
